SAP Spotlight:

Social Media Addiction

Excessive Social Media use can lead to addictive behavior due to the dopamine rush it provides. Excessive use can aggravate conditions like ADHD, Anxiety, Depression, body dysmorphia, among others. If you suspect your teen is overusing social media or may be experiencing any negative effects, consider placing parental time restrictions on their devices and speaking to them about healthy social media habits. MARCH STAR GOAL

SELF-RESPECT

Students can earn self-respect points by asking for help when they are confused, using healthy coping methods, and speaking kindly about themselves.

The reward for March will be "recess" for all grades during their Seminar class.
