Automated Attendance Phone Calls

Starting on Monday, October 20th, we will be sending out automated phone calls to all parents/guardians when your student is marked absent. This adds an extra layer of safety and communication between home & school.

We expect that there may be some bumps to work out, especially in the first week of implementation, so please bear with us as we get the system up-and-running.

If you receive a call in error, please call the Main Office at 610-351-0234 to report the error so we can update the system accordingly. Thank you!
